## Skills

- Java
- Spring Boot
- PHP
- MySQL
- C, C++
- AngularJs

## Implemented Projects

- **Static Website Develop Using AngularJs** - We create static website for client using AngularJs. We used this JavaScript framework for optimizing the pages by creating a single page application which has the capability to load only essential components dynamically. (Link:- <https://nainaboutiques.co.in/app-home>)
- **Online Bookstore**- Online Bookstore System is an online bookstore that allows to sell book directly to the customer without any mediator 24\*7. Customer can select books and add them to the cart. When you checkout from shopping cart order will be delivered at the doorstep. When customer is satisfied with the order, service and quality then he/she can pay cash on the spot upon delivery or pay online at the time of checkout.
